

# Maximizing our Impact

*School and Technology  
Leaders United*

The most impactful professional growth is time to connect, share and discuss common successes and challenges and to share ideas.

We will discuss and reflect on best practices for maximizing our school's technology impact and vision for future technological and pedagogical innovation.

Are you ..

- ☐ Building a new makerspace
- ☐ Adopting a new digital curriculum or moving to digital textbooks
- ☐ Putting in a new security system
- ☐ Adopting a new SIS
- ☐ Launching a new HR/Benefits Employee Management platform
- ☐ Involved in evaluation of teacher technology integration

It's in these areas and more where it helps when technology is involved from the beginning!

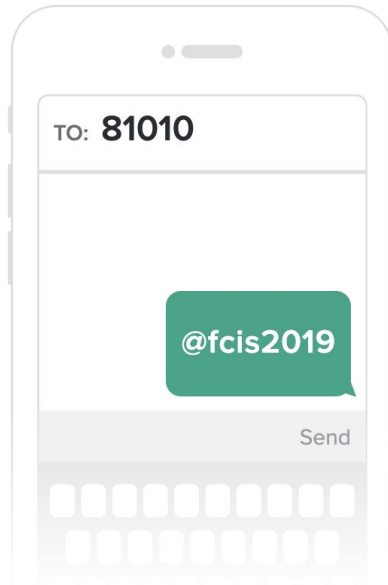

**This will maximize impact!**
