

## Chemistry Instructor

### Organizational Summary:

Tampa Preparatory School is the premier private school in the Tampa Bay area for students in grades 6 – 12. Tampa Prep's focus on what's best for students means we pay attention to adolescent development. We incorporate the latest research and data on teenage brain function, retention and development into our programs. Our rich academic tradition, along with a commitment to arts, athletics and a focus on producing well-rounded citizens in a very inclusive community has made Tampa Prep one of the best schools in Tampa for 40 years. Our educational philosophy instills values of fairness, decency, honor, diligence and academic curiosity. The School stresses the development of self-confidence, a sense of worth and the importance of having fun in the pursuit of one's goals.

### Position Summary:

We are currently seeking a full-time upper school science instructor for the 2021-2022 academic year who is able to teach honors chemistry, and possibly other physical or life science classes. Candidates should be proficient in their discipline, interested in the social and developmental needs of high school students, facile with an iPad, and able to contribute to extracurricular activities. Applicants should possess a bachelor's and/or advanced degree in chemistry, science education, or a related field.

### Information for Applicants:

This is a 10-month, full-time, benefit eligible position. Salary is commensurate with experience. For consideration, please forward cover letter and resume to Donald Morrison, Dean of Faculty at [dmorrison@tampaprep.org](mailto:dmorrison@tampaprep.org)

### Equal Employment Opportunity

Tampa Prep is an inclusive and open-minded environment that does not discriminate according to race, color, national origin, religion, gender, sexual orientation, gender identity or matters of individual choice. Tampa Prep does not engage in personnel practices prohibited by Federal law. This policy extends to all activities and aspects of the school and specifically to the practices of faculty and staff hiring and management, in student admissions, student evaluation, discipline and student life.
