

Established in 1958 as an outreach project of the church, St. Stephen's Episcopal Day School celebrates the past while educating for the future. An oasis in the heart of Coconut Grove in Miami, St. Stephen's serves 320+ students in grades PK3 – Grade 5.

Our mission:

Believing that each child is created in God's image, we exist to educate and inspire children to lead by example and become forces for good in the world.

If you are a contemporary, innovative, passionate person who desires to work in an inclusive Christian environment, you can make a difference as a teacher assistant at SSEDs. Creative, dedicated, talented nurturers who inspire students from three to five years old to develop gifts and work to overcome obstacles are the candidates we seek. Our entire team works tirelessly to ensure our students receive an exceptional educational experience that will instill a love for learning in a caring environment.

Currently, we have Pre-Kindergarten (Students are three years old as of September 1) and Junior Kindergarten (Students who are four years old as of September 1) assistant teacher positions available for the 2023-2024 school year. It is a full-time ten-month job that pays \$18/hour. Educational experience and working with preschoolers for at least 2-3 years are ideal prerequisites.
