

Middle School Theatre Arts Teacher

Windermere Preparatory School is seeking a Middle School Theatre Arts teacher who has expertise in teaching formal theatre arts classes. The successful candidate will direct productions, teach acting classes, sponsor Thespian Clubs, and participate in Theatre Department activities.

The teacher will educate students on acting techniques, methods, and styles. The teacher will also educate students on the history of performance and acting, as well as basic staging, lighting and directing. Students will learn how to communicate, control and project their voices, and present themselves. The teacher will assess and grade student performance and maintain adequate communication with parents.
