Transforming your passion into best practices

FCIS's robust array of resources, conferences, classes, workshops, seminars, and webinars provide endless opportunities to advance your knowledge, skills, credentials, and career.

- FCIS Professional Development and Leadership Programs offer independent school educators exclusive access to the industry's recognized thought leaders, innovators, and best-in-class methodologies in teaching, learning, and leadership.
- By providing opportunities for interactive, peer-to-peer learning, FCIS Professional Development Programs allow educators to share knowledge, insights, and diverse perspectives on today's best practices in independent school education and leadership.
- Programs and resources are offered on a convenient state, regional, local, on- and offline basis.
