

It's your turn to get Google Certified!

Stretch your use of classroom technology by becoming a Google Certified Educator this summer.

Lake Highland Preparatory School | Orlando, Florida

June 7-8, 2018 | 8:30 am - 3:30pm | \$299

The Google Certification Academy is carefully designed to help you become a Google Certified Educator **THIS SUMMER!**

Adding "Google Certified Educator" to your resume is a great way to verify your outstanding use of technology in the classroom. Certified Educators are sought after speakers, bloggers, and have the opportunity to offer paid training and workshops.

WHAT PAST PARTICIPANTS ARE SAYING

"This was the best targeted technology seminar I have ever attended. I wasn't planning on getting my Google Certification when I walked in the door, but now I can't imagine not having it."

Erin Dennis, Technology Teacher, Hartland Consolidated Schools, Michigan.

"I would recommend this training to anyone looking to increase their high level Google skills. Whether you are looking for just more information, networking with other professionals, looking to pass exams or become a certified Google Education Trainer - you will find this useful."

Julie Alspach, Online Learning Program Administrator, Michigan

Since 2014 we have helped more 1,300 educators work on their Google Certification.

Now it's your turn!

The GCA is designed to help individuals through the process of becoming Google Educator. Attending an academy is NOT required. Becoming certified will require additional work, including taking exams at an additional cost. Complete details are available here: <https://goo.gl/sjh5rr>
